

# Larry Norris, PhD

248.310.2858

anthropsych@gmail.com

Berkeley, CA

---

## Summary of Qualifications

- Creates all aspects of new course curriculum design and evolution, student feedback and learning support, and departmental communication.
- Maintains an environment of curiosity and respect through complex and in-depth discussions.
- Engaging curriculum design with a focus on emerging trends and developments in the field.
- Able to distill technical information for non-technical audiences and guide discussions and understanding from entry-level to mastery; extensive experience in educating individuals outside the academic sphere, including elected officials, law enforcement, city attorneys, and policymakers.
- Increases depth of engagement through community organizing and activism.
- Experienced in the expansion of personal and academic knowledge base through curriculum development in related areas of study.
- Actively builds rapport with students, faculty, and staff, resulting in excellent student reviews and a cohesive professional culture.
- Manage, supervise, and train teams nationwide to successfully analyze policy and pass legislation.
- Consistently invited to serve as a Subject Matter Expert in the field of entheogens/psychedelics and integration for public events, panels, workshops, legislative development, and civic planning.
- Over a decade of experience facilitating group integration circles and individual integration support.
- Refined and enhanced soft skills such as creativity, problem-solving, and emotional intelligence.
- Photo Shop, Illustrator, InDesign, Premier; WordPress, Canva; Word, Excel, PowerPoint; Black Board.

---

## Education

- 2020      **Doctor of Philosophy**, Transpersonal Psychology, California Institute of Integral Studies, San Francisco, CA. Dissertation: *Ayahuasca Integration: Where to begin? An Applied thematic analysis of ayahuasca-specific archetypes of transformation and integration cues to inform meaning-making models of integration*
- 2011      **Masters**, Transpersonal Psychology, California Institute of Integral Studies, San Francisco, CA.
- 1998      **Bachelor of Science**, Biopsychology & Cognitive Science, University of Michigan, Ann Arbor, MI.

---

## Relevant Experience
